Forensic Accountant and Business Appraiser

Joel Danenhauer is a Principal at the Firm of Danenhauer and Danenhauer, Inc., a consulting firm specializing in Forensic Accounting and Business Valuations. Mr. Danenhauer is a seasoned Certified Public Accountant and financial professional with over 12 years of practice with experience in business valuations, forensic accounting, economic damages analysis, accounting disputes, merger and acquisition disputes and family law matters. Mr. Danenhauer has provided expert testimony at trial and served as co-arbitrator in accounting and appraisal disputes. Mr. Danenhauer has served clients spanning virtually all major industries including real estate, technology and software companies, retail, professional services, construction, manufacturing, distribution, entertainment, utilities, government contractors and health care.

Mr. Danenhauer's professional background and experience includes the handling of audit engagements, review engagements, internal control reviews, special accounting projects, tax compliance engagements, business consulting, expert witness testimony, and business valuation services for both small and fortune 500 companies and their owners and executives, including corporations, partnerships, LLCs, LPs, trusts and estates.
